EXPERIENCE

- **Rimus-Technology**  May 2024 - August 2024
Intern as Web Designer and Developer Noida, India
 - Independently created an eye-catching and easy-to-use interface by designing and developing a website for the baiMobile Smartcard reader application.
 - Implemented Figma for design purposes while utilizing HTML, CSS, JavaScript, and PHP in the development process on both Android and iOS platforms.
 - Improved user experience by resolving responsiveness issues on the official website's management page, maintaining consistency across all pages.
 - Identified and rectified some bugs on the header and footer part of the official website.

PROJECTS

- **Project A: Personal Portfolio Website** April - 2024
Tools: [HTML , CSS , JavaScript and Figma for UI design] 
 - Developed a personal portfolio website to showcase projects and skills and enhanced proficiency in web development and design through this project.
 - Demonstrated ability to present work effectively to potential employers and clients.
- **Project B: Exploring the Hidden Gems of Bihar** September 2024(ongoing)
Tools: [HTML , CSS , Javascript, Figma , Tailwind CSS] 
 - Developed a website to showcase the lesser-known aspects of Bihar that are often overlooked by the media.
 - Designed and implemented interactive features to engage users and highlight the cultural richness and beauty of Bihar
 - Managed the entire project from concept to completion, demonstrating creativity, technical skills, and a passion for promoting Bihar's unique heritage.

ACHIEVEMENTS / EXTRACURRICULAR

- My team of 2 members got 2nd rank in a competition of chalchitra pratiyogita (video editing contest) organised by our college where we have to edit a video of any random trip.
- Got awards from MLA, DM etc. for being the 2nd District Topper in 12th(Commerce).
